

What cover do I get for taking out the SSAA Members Firearms Insurance ?

You automatically receive \$25,000 Accidental Loss or Damage cover for your firearms and fixed accessories. This is the basic cover and many of our members would have this already as part of their home and contents insurance, however the additional benefits in upgrading your membership are very very good include up to 28 days per year worldwide cover if you are lucky enough to go on an international hunting holiday, cover whilst in use which is excluded by most home and contents policies and only a \$100 excess applicable to a claim.

How do I upgrade my membership to include the Firearms Insurance ?

To include the Firearm Insurance is only an extra \$30 per year and you do not have to wait till your membership renewal to upgrade. If you want to upgrade immediately you can by contacting SSAA Membership and paying the \$30 now for the remaining period through to your expiry date.

The main reason why we have been able to secure this facility is due to the strength and number of the SSAA Membership. As well as the cover you will be receiving for your firearms for only \$30, the other major benefit is the income generated through this facility goes towards a dividend paid back to SSAA to invest in it's clubs and members.

In summary this is another benefit of being a SSAA Member, on top of the \$20,000,000 Liability and Personal Accident cover you receive whilst engaged in all lawful and recreational shooting activities.

Obviously it goes without saying that if the use of a firearm illegally is excluded.

What if my firearms are worth \$50,000 ?

For your \$30 extra in membership fees you receive up to \$25,000 cover regardless if that covers one, two or three individual firearms - \$25,000 is the maximum cover.

When does cover start ?
